A REMARKABLE CURE.

A CASE OF PILES OF EIGHTEEN YEARS STANDING

Cured by the Pyramid Pile Cure.

There are plenty of pile cures which give relief and sometimes cure a mild case of piles, but there is only one which can be depended upon with certainty to cure obstinate, long standing cases, and that is the Pyramid Pile Cure.

Endorsements and testimonial are received daily from men and women whose integrity and reliability are above question, and in this connection a letter received from the Rev. Jas. H. Westbrook of Bowne, Mich., may be of interest to pile sufferers who have sought in vain for a cure. He says:

I have used the Pyramid Pile Cure and I know that it is all that is claimed for it. I had been troubled with piles more or less for about eighteen years and I had tried other remedies, but the piles grew worse until about ten months ago I used the Pyramid Pile Cure. It gave almost instant relief and I have been free from piles ever since. Rev. Jas. H. Westbrook.

The remedy seems to act equally well in every form of piles, blind, bleeding, protruding or itching. It stops all pain almost instantly, allays irritation and removes constipation, and anyone who has suffered the annoyance and pain of a rectal trouble will appreciate the excellent results which invariably follow the first application of the pyramid.

The Pyramid Pile Cure is prepared by the Pyramid Drug Co. of Albion, Mich., and for sale by druggists everywhere.

Two sizes. 50 cents and $1. Sold by all druggists.

Tomorrow evening Prof W. Apmadoc of Chicago, assisted by the local talent, will give a concert at the Second Presbyterian church. The reputation of those on the program is a guarantee that the church will be crowded. Prof. Apmadoc is of international fame among Welsh people and he has been recognized on both sides of the ocean as a leader in Eisteddford and Welsh national festivities. Admission 25 cents.

THE FAST MAIL.

Last night's production of the Fast Mail, given at the Burtis opera house was a success. The presentation was made to a fair-sized audience. The scenic effects were excellent. The engine and train of fourteen freight cars with caboose lighted were true to life while every sound about the train were perfect reproductions. The acting was above the average, and taking the show as a whole not a better one of the kind has been produced in this city in years.

ENLARGING AGAIN.

The Enterprising Firm of G. L. Wynes & Co., Pushing Ahead.

There is one firm in the city that has made a reputation for itself, there is no question about it. It does business on the square and as a result has made friends. These friends became so numerous that it was compelled to move once before in order to make more room for their accommodation and now again it finds it necessary to enlarge. This time however it will not move but increase the capacity of its present abode.

G. G. Wynes & Co. located in Davenport, Sept. 10, 1892. in the Dittoe block on West Third street. A year afterwards it was compelled to seek larger quarters, and finally secured the present store at 222 Brady street, where it appeared as the Famous Shoe Store. The business has kept on growing right along, and now it finds that in order to meet the increased trade it will be necessary to secure more commodious quarters. Accordingly an eight year lease was signed for the present store and arrangements made for its enlargement. The contract has been awarded to Kelley & Maban, contractors, and they started upon the work Friday. It is proposed to make an addition on the rear of the present store of 44 feet, thus giving a total depth of 144 feet. It will be, when completed, one of the finest shoe stores in the city.

This enterprising firm has in addition to the "Famous" of this city branch stores in Des Moines, Ia.; Moline and Geneseo, Ill. The amount of goods handled gives them the ground floor on prices, and as a result it sells at the bottom notch, and the best of it is the people know it.

The manufacturing and repairing departments will be continued as before. Additional clerks will be added to the force in each of the departments and the trade will be served up to the handle.

John Lillis returned yesterday from a pleasant visit of several weeks in Chicago with his son-in-law and daughter, Mr. and Mrs. M. J. Kinally.

"Doctor" Brown, who lives in an alley near Taylor and Third streets, the spectacle vender, was in a heap of trouble yesterday. It seems that he is in great disfavor among the women of the neighborhood. He got on a tantrum and was making matters warm when the patrol was called. Arriving on the scene the police found him crouching near a lumber pile. He said the women had been abusing his wife, but it appeared in the face of things that he had been at the bottom of the trouble. He resisted the officers and fought like a mad man when arrested. Brown has a bad name and he deserves it too.
