Affect me as I only took one
drink with the girls since I left
Trisco for Honolulu and could have
had it all of the time if I wanted
it - They tried to get me to take a
drink of Honolulu Oke. but it
smells like shit and I tasted it -
and it tastes like shit - and I
believe it is made out of shit -
could not go it - but there was
plenty of Scotch there but I did
not want it - Fox and I had a
little party here on my stop over
but that was the last I wanted
If you will write me to Havana
Cuba & I'll get a hotel I will get
it on the 2nd when I get there I do
not think I will stay in Havana
long be home about the 7th & 8th

You did not say who you sold
The Million ft. of lumber in or
What Grade you sold have you
sold The 8/4 Gum yet - I would hold
on to The sound wormy oak
yet - awhile it is good property
for The Auto Trade I do not see
how Kelser can be optimistic
when we are losing The best Three
months of The year think somebody
must have fallen down in
Detroit - over The Ford business do
not see how Kelser stands for it -
unless he was to blame and I do
not see how it will take any six
weeks for Memphis to Tool for The
New run you be sure and write
me at Havana so I will get it on
The 2nd Tell Bob Heaton and Geo
