CLEVELAND'S
SUPERIOR
BAKING POWDER

THE PUREST AND BEST

Is made only of strictly pure grape cream of tartar, strictly pure bicarbonate of soda, and a small portion of flour as a preservative, nothing else whatever, and is warranted entirely free from alum, ammonia, phosphates, lime, and all the adulterants frequently found in baking powders. The character of materials used, their purity, and the nicety of their combination, render Cleveland's superior baking powder the most useful and most economical in use, and it always affords wholesome, nutritious, and delicious food. It is recommended for purity, healthfulness and efficiency by Government and State chemists, chemists of Boards of Health, and professors in institutions of learning throughout the country. Sold only in cans, full weight.

Much sympathy is felt for the bereaved wife, mother and other relatives, in the hour of their sorrow and grief.

The seventeen year locusts have appeared and are literally swarming in several counties in the state. In some places one can hardly put his foot down without stepping on locusts, while fences, shrubbery, etc., are covered with them. The farmers say they are good to fatten hogs on, and do not seem to be much disturbed by their appearance. It is claimed that

Prof. Ap. Madoc's concert will be held at the Music Hall and not at the Opera House as heretofore announced. Don't forget the time, Thursday evening, July 25th, and the place, Music Hall.

Interesting Service at Trinity Church.
 Rev. F. O. Grandis, rector of one of the Episcopal churches of Columbus, preached a very fine discourse at Trinity Episcopal church of this city yesterday forenoon.

The theme of the Reverend gentleman's discourse was the state or condition of being "Alive to God," and one of the aptest definitions of life was taken to be "correspondence with environment." All life consists in a constant giving and receiving and only those natures that are constantly giving and receiving it can truly be said to live. The sermon was thoughtful and scholarly and commanded the closest attention. The very fine singing of the choir is always a distinctive feature of the services at this church.

The Lecture at the English Lutheran Church.
 Rev. C. W. Sifford delivered his interesting and instructive lecture, entitled, "A Thousand Years of Solomon's Temple," to a good sized and appreciative audience at the English Lutheran church yesterday evening. The lecturer, in a very pleasing manner, sketched in rapid outline the situation and history of Jerusalem, the city of the great King, and the wonderful temple, that was the glory of the whole earth. It was with regret that the audience heard the closing words of the lecture, and the hope that the speaker might continue the fruitful topic at some future date. The choir furnished some excellent music for the occasion. We are glad to know that this church is growing and prospering and hope to see its permanent prosperity marked by a new and suitable building in the near future.

ZANESVILLE VS. NEWARK.

The Zanesville club is a combination of the Reserves and Blues. John Adams, a leading legal light of Muskingum county, will pitch one of the games. Adams formerly pitched for the Gambler college team, and is one of the speediest twirlers in the state. Jacob Hartman, who pitched for the Zanesville tri-state league team until he lost his arm, will pitch the second game. Mercer and Lane will do the catching. For Newark, Tuesday and Wednesday will be ladies' days, ladies being admitted free.

Distinction in the Face.
 Why should Dr. Pierce's remedies not distance all competitors in amount of sales as they are doing, since they are the only medicines sold by druggists possessed of such wonderful and valuable properties as to warrant their manufacturers in guaranteeing them to cure the diseases for which they are recommended. You get a cure or money paid for them refunded. The Doctors' "Golden Medical Discovery" cures all diseases caused by derangement of the liver, as biliousness, indigestion or dyspepsia; also all blood, skin and scalp diseases, swellings and kindred ailments. 1603w1t

Don't hawk, hawk, and blow, but distinguish everybody, but Dr. Sages Cat-Birth Remedy will be cured. 1603w1t
