It Takes a Remedy of Uncommon Merit to Draw the Unqualified Praise of a Successful Practicing Physician.

Dr. J. W. Bates of Corfu, N. Y., writes: "A most remarkable case came under my hands of late and has fully convinced me of the wonderful power of Dr. A. W. Chase's Nerve Pills over disease of the nerves."

"A young lady who was treated for over two years for epilepsy by two doctors was given up to die. I found that her sickness was not epilepsy, but nervous trouble, due to menstrual derangements, and prescribed four of Dr. Chase's Nerve Pills a day, after meals and at bed-time. Since that time she has not had a single bad spell. Her health has rapidly improved, she has gained about 15 pounds in weight, and I do not hesitate to state that Dr. A. W. Chase's Nerve Pills have saved her life and restored her to health."

Mrs. Fawcett of Marietta St., St. Catharines, Ont., writes: "I have used Dr. A. W. Chase's Nerve Pills and can recommend them to others as a good sound reliable remedy and general tonic. When I got the box of the Pills I was complaining of nervousness, weakness and pain through the shoulders—rheumatic in type—digestion not over good as usual. The effect of the medicine has been very satisfactory indeed. So marked has been the change towards health and comfort I can conscientiously say they are fine and what they are represented to be. At my advanced age I feel I am getting all the benefit possible."

Mrs. M. J. Hubbard of Railroad Avenue, Sistersville, W. Va., writes: "I like Dr. A. W. Chase's Nerve Pills. I was nervous, excitable, unable to sleep, I had not taken the medicine long when my nerves were steady and strong—my physical strength and energy back and my sleep sound and natural."

See that the portrait and signature of Dr. A. W. Chase are on every box. Price 50 cents a box—Six boxes for \$2.50. Manufactured by Dr. A. W. Chase, Medicine Co., Buffalo, N. Y.

ON THEIR OWN HOOK.

National Civic Federation Officers Act as Mediators.

NOT AUTHORIZED BY STRIKE LEADERS

Conflicting Claims Made by the Mill Managers and the Strikers—Contributions Pour Into Amalgamated Headquarters—Meeting of Anthracite Miners—Labor News.

Pittsburg, Aug. 27.—While representatives of the National Civic federation are working zealously for peace between the steel workers and the United States Steel corporation, President Shaffer of the Amalgamated Association declares that his association has given no authority to any one to make a settlement, and that any effort made in that direction is being done by outsiders on their own responsibility. He announced that so far as the officials of the organization are concerned they are satisfied that the attempts of the officials of the trust to operate the plants in Pittsburg have been futile, and that while there is apparently a lot of men at work and machinery is in operation, practically no product is being turned out.

Officials of plants here started during the past week claim they made gains in all of them, more men have come to work and that the output is in every case increased. The Painter plant of the hoop combine started two additional mills and the officials say that before the end of the week these mills will be working double turn. The Star mills are being operated by non-union tin workers and two double mills are turning out satisfactory black sheets. The Lindsay & McCutcheon mills in Allegheny have two mills running, and it is expected they will be put on double turn this week. The Clark mills in Lawrenceville are operated in full for a single turn, but the officials say every one of the six mills will be on double turn before the week ends. Officials of the Upper and Lower Union mills of the Carnegie company claimed there was no difficulty in operating their mills. They denied that the refusal of some of their men to return to work had affected the plants in any way. To all outward appearances the Lower mills were running as usual, though the company has issued strict injunctions against entrance to mills or offices by any one not employed there.

At Amalgamated headquarters there was little of interest transpiring. The mail for the officials was heavy and Secretary Williams received a number of checks representing contributions from the Amalgamated lodges in independent mills for the strike fund. Trustee John Pierce and Vice President William Gibson of the association made a tour of the plants supposed to be operating and reported there was no truth in the report that so much was being accomplished by the plants. The pickets about the Star mills claim to have secured 19 desertions, all told, from the plant, since men were taken there. It was also claimed that of the total number in the mill nearly a fifth are made up of managers and foremen of other plants. Regarding the Painter mill, it was said that the strikers were keeping away from the mills entirely and paid no attention to the reports of the new men secured. Many of the strikers obtained work elsewhere.

The report from Wheeling is that the manager of the Aetna standard sheet plant of the American Sheet Steel company received orders from the general offices to dismantle sheet mill No. 1 and ship the machinery to Vandergrift, Pa. The work of dismantling will be commenced at once. The strikers at Wellsville are jubilant over the official news coming to them from Irondele. These reports say that all of the men who have been working in the mill except two were refused to go back to work, and were reinstated in the Amalgamated lodge.

Anthracite Miners Meet.

Hazleton, Pa., Aug. 27.—In pursuance to a call issued several weeks ago by the district executive boards, the United Mine Workers of the anthracite coal fields met in convention here with nearly 1,000 delegates, representing 37 local unions. The convention will continue three or four days. Refusal of the coal companies to countenance the card inspection system at the collieries, alleged failure of others to pay the 10 per cent increase supposed to have been granted by the mine owners last spring, local grievances and the amalgamation of the stationary firemen, engineers, blacksmiths, carpenters and teamsters with the United Mine Workers will be considered.

Kansas Miners to Strike.

Topeka, Aug. 27.—The employees of the Southern Kansas Mining company, known as "The Big Four," will strike Sept. 1 according to W. L. Johnson, state labor commissioner. The center of these mines is in Pittsburg, Kan., where the recent conference between miners and operators was held without result. The companies refused to make concessions and the question as to whether a strike should be ordered was left to the different lodges in the district. Several hundred men are employed in the works.

Steel Trust Denounced.

Austin, Tex., Aug. 27.—The house of the Texas legislature, by a vote of 55 to 38, adopted a resolution denouncing the United States Steel trust and expressing sympathy with the strikers.

MONEY MISSING.

Big Roll of Havana Postal Funds Mysteriously Disappeared.

Havana, Aug. 27.—E. C. Westall, chief of the money order bureau of the Havana postoffice, left the office as usual with the surplus remittance to pay into the treasury. The amount was \$4,000. He took an omnibus, and, according to his statement, placed the packet containing the money on the seat by his side. He read a newspaper until he reached the point where he was to alight, and when about to leave the omnibus he found that the packet was missing. Two boys who were in the omnibus at the time say they saw a mulatto throw a packet to a negro in the street. Mr. Westall is under a bond of \$10,000. The matter will be left to the courts for decision.

Deserter Captured.

Manilla, Aug. 27.—An official dispatch from Mindoro, tells how Lieutenant Hazzard of the Third cavalry, commanding a troop of Macabebe scouts, captured the American deserter Howard, who, as a leader of the Filipinos, had been annoying the Americans for many months. Ferguson, one of Lieutenant Hazzard's civilian scouts, disguised as an insurgent, with eight Macabebes penetrated into the camp of Col. Alenza, commanding 250 riflemen and 200 bolomen, at night, located Howard, bound and gagged him and led him away without disturbing the natives.

Indiana's Insane Wards.

Indianapolis, Aug. 27.—The board of state charities filed with the governor a report of its inquiry as to whether persons who are not insane are confined in the several hospitals for the insane at this time. The report says that according to the testimony of the superintendents, attendant physicians and nurses, all the persons confined are of diseased mind. The report is made up largely of the testimony of hospital physicians and nurses and includes a vast amount of data bearing on the subject.

Premier Roblin's Partner.

Winnipeg, Aug. 27.—In police court R. P. Roblin, premier of Manitoba, charged his partner in the cattle business, D. W. Mills, with the theft of \$16,000. Roblin charges that during his absence in the east Mills sold several hundred head of cattle owned by them jointly, and pocketed the proceeds. Mills had \$2,500 in his pocket when arrested and a trunk containing his effects. He has been one of the best known cattlemen in western Canada for 20 years.

Marshall Arraigned.

Boston, Aug. 27.—On the charge of being a fugitive from justice, Arthur G. Marshall of Cleveland was arraigned before Judge Burke in the municipal court here and held in \$10,000 for a hearing Aug. 29. It is claimed Marshall obtained from W. B. White, general manager of the American Cattle company, four notes for \$2,000 each and a \$2,000 horse in exchange for a tally-ho and bogus stock in a St. Louis lead company.

Jonesboro, Ills., Aug. 27.—Mrs. Mary J. Seaver and her 9-year-old son were killed by a falling tree. Both were terribly crushed and the woman's heart was picked up 30 feet away, where the violence of the blow had expelled it from the body.

SPECIAL DAYS AT THE PAN-AMERICAN

THE week beginning Sept. 15 will be Lumbermen's week at the Pan-American Exposition. Thousands of wholesale and retail dealers in lumber from all parts of the United States and Canada will be at the great New World's Fair, and they promise to make the week a memorable one. One of the organizations which will be well represented is the Concatenated Order of Hoo-Hoo, which has a membership of upward of \$3,000. The annual meeting of the Hoo-Hoo will be held at Norfolk, Va., from Sept. 9 to 12, and the delegates will go direct from the Southern city to the Exposition.

The Concatenated Order of Hoo-Hoo is essentially a lumbermen's order, being composed of lumbermen, timbermen, saw and planing mill machinery manufacturers, newspaper men and railroad men, being those engaged in the lumber trade and those allied industries which are so closely interwoven with the conduct of the lumber business as to make them practically a part thereof.

Mexico Day, Sept. 16. Exceptional ceremonies are being planned for Mexico day, Monday, Sept. 16, at the Pan-American Exposition. Dr. Aspiroz, the Mexican ambassador to the United States, will be there and will speak. In addition, it is proposed to have a famous and eloquent statesman and orator from Mexico make the address of the day. An effort is being made to secure the attendance of Chief Justice Justo Sierra of the Supreme Court of Mexico. It is proposed to bring the famous Mexican Artillery Band to the Exposition for the day. The Mexican commissioners to the Exposition are deeply interested and will strive earnestly to make their republic's special day a memorable one.

Illinois Day, Sept. 16.

Among other prominent speakers at the Pan-American Exposition on Illinois day, which will be Sept. 16, will be Secretary Lyman J. Gage, Senators Shelby M. Cullom and W. E. Mason, Comptroller of the Currency Charles G. Dawes, in addition to Governor Richard Yates. The First Regiment of Chicago will be in attendance, and the social features of the occasion will not be slighted, an informal hop at one of the large hotels in Buffalo being included in the plans.

Grand Army Veterans' Day, Sept. 17.

G. A. R. day at the Pan-American Exposition, Tuesday, Sept. 17, will be one of the truly great days of the season. It follows closely the national encampment, which is to be held at Cleveland, and many thousands of veterans and their families will embrace the opportunity of viewing the wonderful sights at the great New World's Fair. An elaborate programme appropriate to the occasion will be carried out. Numerous special features will be provided in honor of the visit of the veterans. Among the bands which will be at the Exposition on G. A. R. day are Brooke's Marine Band of Chicago, Nineteenth Regiment Band of St. Catharines, Ladies' Military Band of Boston and the John C. Weber Military Band of Cincinnati. Band concerts will be given forenoon, afternoon and evening. There will be a free organ recital by Seth C. Clarke of Buffalo in the Temple of Music in the afternoon. In the evening there will be one of the most magnificent displays of Pain's fireworks ever seen. The day will be one long to be remembered.

New York State Day, Sept. 18.

New York State day at the Pan-American is Sept. 18, and an effort will be made to eclipse all previous records for attendance on that day. Low railroad rates will be obtained from all parts of the State, and there will be a large gathering of public men, politicians, orators and distinguished citizens, besides members of the National Guard. The principal orator of the day will be the Hon. St. Clair McKelway, editor of the Brooklyn Eagle and one of the most brilliant orators of the State. It is expected that the guests of the day will include Senator Thomas C. Platt, Senator Chauncey M. Depew, Governor B. R. Odell and staff and the Adjutant General of the State, General George F. Roe. There will be a big military display, including probably all the National Guard regiments and companies of Western New York.

Welsh Day and Elsteddoff, Sept. 19.

The Elsteddoff at the Pan-American Exposition on Sept. 19, which has been designated as Welsh day, will be a very important musical event. The leading Welsh soloists and choirs will compete for prizes aggregating \$1,000. The sons and daughters of Wales in this country are deeply interested in Welsh day and the Elsteddoff, and many thousands will visit the Exposition for the festivities. The Elsteddoff will be held in the magnificent Temple of Music of the Exposition, which contains the finest pipe organ in America.

Cleveland Day, Sept. 26.

The enterprising city of Cleveland will have a holiday on Thursday, Sept. 26, which has been designated as Cleveland day, at the Pan-American Exposition. Arrangements will be made for low rate excursions both by rail and water, and many thousands of the Forest City's citizens are expected to make the trip to the Exposition, where a programme of exercises appropriate to the occasion will be carried out. The Mayor and other city officials will deliver addresses. Distinguished Ohio statesmen will be invited to participate in the exercises. The arrangements for the event are in the hands of committees composed of Cleveland's most prominent and influential men, and success is assured.

Nebraska Day, Oct. 3.

Nebraska has a fine exhibit of its products at the Pan-American Exposition, and the State is to further distinguish itself by the observance of a special day at the Exposition. Oct. 3 will be Nebraska day, and a programme in which the most distinguished men and women of the State will take part is being arranged.
