GOOD SCORES

BEING MADE BY GUARDSMEN AT RIFLE RANGE,

But Officers Can Not Yet Say Whether the State Team Will Go to Seagirt.

The state rifle team which will represent Ohio in the national competition at Seagirt, N. J., this fall, did some good shooting at the state grounds today.

This morning the team shot at 200, 500 and 600 yards, and in the afternoon went over the rifle range for the second time at the same distance.

Col. Ames told the Advocate this afternoon that no figures on the morning shooting could be obtained before night, as much tabulation is yet necessary. Wednesday's shooting was merely preliminary. Col. Ames said that while some good scores have been made it is impossible at this time to say whether the team has shown sufficient proficiency to send it to the interstate shoot at Seagirt, N. J.

Lieut. D. M. Schofield of the engineers, made a score of 45 out of a possible 50 today.

SPECIAL DAYS

AT THE

PAN-AMERICAN

THE week beginning Sept. 15 will be Lumbermen's week at the Pan-American Exposition. Thousands of wholesale and retail dealers in

lumber from all parts of the United States and Canada will be at the great New World's Fair, and they promise to make the week a memorable one.

One of the organizations which will be well represented is the Concatenated Order of Hoo-Hoo, which has a membership of upward of \$5000.

The annual meeting of the Hoo-Hoo will be held at Norfolk, Va., from Sept. 9 to 13, and the delegates will go direct from the Southern city to the Exposition.

The Concatenated Order of Hoo-Hoo is essentially a lumbermen's order, being composed of lumbermen, timbermen, saw and planing mill machinery manufacturers, newspaper men and railroad men, being those engaged in the lumber trade and those allied industries which are so closely interwoven with the conduct of the lumber business as to make them practically a part thereof.

Mexico Day, Sept. 16.

Exceptional ceremonies are being planned for Mexico day, Monday, Sept. 16, at the Pan-American Exposition. Dr. Aspiroz, the Mexican ambassador to the United States, will be there and will speak. In addition, it is proposed to have a famous and eloquent statesman and orator from Mexico make the address of the day. An effort is being made to secure the attendance of Chief Justice Justo Sierra of the Supreme Court of Mexico. It is proposed to bring the famous Mexican Artillery Band to the Exposition for the day. The Mexican commissioners to the Exposition are deeply interested and will strive earnestly to make their republic's special day a memorable one.

Illinois Day, Sept. 16.

Among other prominent speakers at the Pan-American Exposition on Illinois day, which will be Sept. 16, will be Secretary Lyman J. Gage, Senators Shelby M. Cullum and W. E. Mason, Comptroller of the Currency Charles C. Dawes, in addition to Governor Richard Yates. The First Regiment of Chicago will be in attendance, and the social features of the occasion will not be slighted, an informal hop at one of the large hotels in Buffalo being included in the plans.

Grand Army Veterans' Day, Sept. 17.

G. A. R. day at the Pan-American Exposition, Tuesday, Sept. 17, will be one of the truly great days of the season. It follows closely the national encampment, which is to be held at Cleveland, and many thousands of veterans and their families will embrace the opportunity of viewing the wonderful sights at the great New World's Fair. An elaborate programme appropriate to the occasion will be carried out. Numerous special features will be provided in honor of the visit of the veterans. Among the bands which will be at the Exposition on G. A. R. day are Brooke's Marine Band of Chicago, Nineteenth Regiment Band of St. Catharines, Ladies' Military Band of Boston and the John C. Weber Military Band of Cincinnati. Band concerts will be given forenoon, afternoon and evening. There will be a free organ recital by Seth C. The principal orator of the day will be the Hon. St. Clair McKelway, editor of the Brooklyn Eagle and one of the most brilliant orators of the State. It is expected that the guests of the day will include Senator Thomas C. Platt, Senator Chauncey M. Depew, Governor B. B. Odell and staff and the Adjutant General of the State, General George F. Roe. There will be a big military display, including probably all the National Guard regiments and companies of Western New York.

Welsh Day and Elsteddoff, Sept. 19.

The Elsteddoff at the Pan-American Exposition on Sept. 19, which has been designated as Welsh day, will be a very important musical event. The leading Welsh soloists and choirs will compete for prizes aggregating \$1,000. The sons and daughters of Wales in this country are deeply interested in Welsh day and the Elsteddoff, and many thousands will visit the Exposition for the festivities. The Elsteddoff will be held in the magnificent Temple of Music of the Exposition, which contains the finest pipe organ in America.

The Welsh are pre-eminently musical vocally, and they are second to no other people for choral singing. Within easy radius of Buffalo there are thousands of Welsh singers. Half a dozen choirs will be organized to take part in the contests. This will furnish also a rare opportunity and stimulus to the Welsh choral community, to show the people of all America what they can perform in the line of choral music. The elsteddoff competition will be "God So Loved the World" (Sir J.

Stainer) and "We Never Will Bow Down" (Handel). \$400; also male chorus contest, "Song of the Pilgrim" (Morris), and a female chorus contest "Lullaby" (Brahms) and "Bridal of the Birds" (Brimley Richards). There will be special excursions, starting from all important points in the State, and the indications are that many thousands will patronize them. The Nurses' Associated Alumnae of the United States, which has now about 3,000 members, also holds its annual meeting the same days.

The International Council of Nurses, a branch of the International Council of Women, and composed of the leading women of the profession throughout the world, will hold a business session on the 16th. This council has called an International Congress, which will be in session for three days, Sept. 18, 19 and 20. The Order of Spanish-American War Nurses will hold its annual meeting that week, probably on Tuesday. These meetings will all be held in the Women's Union.

On Saturday, the 23d, a mass meeting of all these organizations will be held in the Temple of Music of the Exposition. Many of the old army nurses of the Civil War are expected to be present. The Surgeon General of the United States Army has appointed a delegate to represent the Army Nurse Corps. The Victorian Order of Nurses of Canada will also send representatives and all the nurses' clubs and alumnae societies of this country and Europe.

Oregon Day, Sept. 25.

In Oregon everything that happens is on a big scale. Evidence of this is seen in the exhibition buildings of the Pan-American Exposition. The State's exhibit is one of the most complete and interesting at the New World's Fair. All who view it pronounce it highly creditable to the productive and progressive State. The plans for Oregon day at the Exposition are on a scale characteristic of the State. The chief officers of the State, representatives in the National Legislature and other prominent organizations will participate in the exercises. Sept. 25 is the day set aside for Oregon day.

Cleveland Day, Sept. 26.

The enterprising city of Cleveland will have a holiday on Thursday, Sept. 26, which has been designated as Cleveland day, at the Pan-American Exposition. Arrangements will be made for low rate excursions both by rail and water, and many thousands of the Forest City's citizens are expected to make the trip to the Exposition, where a programme of exercises appropriate to the occasion will be carried out. The Mayor and other city officials will deliver addresses. Distinguished Ohio statesmen will be invited to participate in the exercises. The arrangements for the event are in the hands of committees composed of Cleveland's most prominent and influential men, and success is assured.

Nebraska Day, Oct. 3.

Nebraska has a fine exhibit of its products at the Pan-American Exposition, and the State is to further distinguish itself by the observance of a special day at the Exposition. Oct. 3 will be Nebraska day, and a programme in which the most distinguished men and women of the State will take part is being arranged.
