

SPECIAL DAYS AT THE EXPOSITION

THE week beginning Sept. 15 will be Lumbermen's week at the Pan-American Exposition. Thousands of wholesale and retail dealers in lumber from all parts of the United States and Canada will be at the great New World's Fair, and they promise to make the week a memorable one.

One of the organizations which will be well represented is the Concentrated Order of Hoo-Hoo, which has a membership of upwards of 50,000. The annual meeting of the Hoo-Hoo will be held at Norfolk, Va., from Sept. 10 to 13, and the delegates will go direct from the Southern city to the Exposition.

The Concentrated Order of Hoo-Hoo is essentially a lumbermen's order, being composed of lumbermen, timbermen, saw and planing mill machinery manufacturers, newspaper men and railroad men, being those engaged in the lumber trade and those allied industries which are so closely interwoven with the conduct of the lumber business as to make them practically a part thereof.

Mexico Day, Sept. 16. Exceptional ceremonies are being planned for Mexico day, Monday, Sept. 16, at the Pan-American Exposition. Dr. Aspiroz, the Mexican ambassador to the United States, will be there and will speak. In addition, it is proposed to have a famous and eloquent statesman and orator from Mexico make the address of the day. An effort is being made to secure the attendance of Chief Justice Justo Sierra of the Supreme Court of Mexico. It is proposed to bring the famous Mexican Artillery Band to the Exposition for the day. The Mexican commissioners to the Exposition are deeply interested and will strive earnestly to make their republic's special day a memorable one.

Illinois Day, Sept. 16. Among other prominent speakers at the Pan-American Exposition on Illinois day, which will be Sept. 16, will be Secretary Lyman J. Gage, Senators Shelby M. Cullom and W. E. Mason, Comptroller of the Currency Charles G. Dawes, in addition to Governor Richard Yates. The First Regiment of Chicago will be in attendance, and the social features of the occasion will not be slighted, an informal hop at one of the large hotels in Buffalo being included in the plans.

Grand Army Veterans' Day, Sept. 17. G. A. R. day at the Pan-American Exposition, Tuesday, Sept. 17, will be one of the truly great days of the season. It follows closely the national encampment, which is to be held at Cleveland, and many thousands of veterans and their families will embrace the opportunity of viewing the wonderful sights at the great New World's Fair. An elaborate programme appropriate to the occasion will be carried out. Numerous special features will be provided in honor of the visit of the veterans. Among the bands which will be at the Exposition on G. A. R. day are Brooke's Marine Band of Chicago, Nineteenth Regiment Band of St. Catharines, Ladies' Military Band of Boston and the John C. Weber Military Band of Cincinnati. Band concerts will be given forenoon, afternoon and evening. There will be a free organ recital by Seth C. Clarke of Buffalo in the Temple of Music in the afternoon. In the evening there will be one of the most magnificent displays of Palm's fireworks ever seen. The day will be one long to be remembered.

New York State Day, Sept. 18. New York State day at the Pan-American Exposition is Sept. 18, and an effort will be made to surpass all previous records for attendance on that day. Low railroad rates will be obtained from all parts of the State, and there will be a large gathering of public men, politicians, orators and distinguished citizens, besides members of the National Guard. The principal orator of the day will be the Hon. St. Clair McKelway, editor of the Brooklyn Eagle and one of the most brilliant orators of the State. It is expected that the guests of the day will include Senator Thomas C. Platt, Senator Chauncey M. Depew, Governor B. O. Odell and staff and the Adjutant General of the State, General George F. Ror. There will be a big military display, including probably all the National Guard regiments and companies of Western New York.

Welsh Day and Elsteddoff, Sept. 19. The Elsteddoff at the Pan-American Exposition on Sept. 19, which has been designated as Welsh day, will be a very important musical event. The leading Welsh soloists and choirs will compete for prizes aggregating \$1,000. The sons and daughters of Wales in this country are deeply interested in Welsh day and the Elsteddoff, and many thousands will visit the Exposition for the festivities. The Elsteddoff will be held in the magnificent Temple of Music of the Exposition, which contains the finest pipe organ in America.

The Welsh are pre-eminently musical vocally, and they are second to no other people for choral singing. Within easy radius of Buffalo there are thousands of Welsh singers. Half a dozen fine choirs will be organized to take part in the contests. This will furnish also a rare opportunity and stimulus to the Welsh choral community to show the people of all America what they can perform in the line of choral music. The chief competition will be "God So Loved the World" (Sir J. Stainer) and "We Never Will Bow Down" (Handel). \$400; also male chorus contest, "Song of the Pilgrim" (Morris), and a female chorus contest "Lullaby" (Brahms) and "Bridal of the Birds" (Brimley Richards). The following will be the adjudicators: William Apudoc, Chicago; Edward Broome, Montreal, Canada; John Lund of Buffalo, N. Y. The presidents of the day will be Rev. D. Rhoslyn Davies of Allegheny, Pa.; Hon. Ellis H. Roberts of Washington, D. C., and General Thomas L. James of New York. The leader of each winning choir will receive a silver loving cup.

St. Catharines Day, Sept. 20. St. Catharines is a city of chivalry and progressive city in the province of Ontario, Canada, which has a splendid display of its natural and industrial resources at the Pan-American Exposition. The wide awake citizens have planned a special day for their city at the Exposition, and they promise to make it one of the most entertaining and liveliest of days. Friday, Sept. 20, has been designated as St. Catharines day. An excellent programme is being prepared.

NEWSPAPER ARCHIVE

A Mother To Mothers.

"I am the mother of five children," writes Mrs. S. E. Rose, of Big Otter, West Va., "and have been as high as eight days in the doctor's hands, and never less than two days with any child until the last. Then I had used two bottles of Dr. Pierce's Favorite Prescription and was only two hours in the hands of the doctor."

Dr. Pierce's Favorite Prescription is a woman's medicine. It cures diseases of the womanly organs. It is a powerful medicine for women, making the baby's advent practically painless and giving abundant strength to nurse and nourish the child.

What People Say who are using

Home-Comfort Ranges

Howling Creek, Md., June 19, 1901. This is to certify that we have used the Home-Comfort Range with entire satisfaction for the last six years without any expense, and have always found it ready and as good as new. It is just what we need, and we can't get another without cost. It is just what we need, and we can't get another without cost. It is just what we need, and we can't get another without cost.

W. H. DEHN AND WIFE.

Please send our recommendation to Mr. and Mrs. Dehn's. We fully concur in what they have said in regard to the Home-Comfort.

N. W. CARROLL AND WIFE.

This is to certify that we have been using our Home-Comfort Range for the last six years, and it does the work just as well as when we first got it. It is a home comfort indeed, and we gladly recommend it to all good people wanting a first-class cooking range.

W. C. MALONEY AND WIFE.

Article of the Constitution.

CHAPTER 432.

AN ACT to amend section four, of Article 14, of the Constitution of this State. SECTION 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all the members of the two Houses concurring) That the following section be and the same is hereby proposed as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof as herein provided, said section shall supersede and stand in the place and instead of section four of Article 14, of said Constitution.

SECTION 1. As soon as may be after the taking and publishing of the National Census of 1900, or after the enumeration of the population of the State, the following thing, there shall be an apportionment of representation in the House of Delegates, to be made on the following basis, to wit: Each of the several counties of the State, having a population of eight hundred thousand or less, shall be entitled to two delegates; and every county, having a population of over eight hundred thousand and less than twenty-eight thousand shall be entitled to three delegates; and every county having a population of twenty-eight thousand and less than fifty-five thousand shall be entitled to four delegates; and every county having a population of fifty-five thousand and less than one hundred thousand shall be entitled to five delegates; and every county having a population of one hundred thousand and less than one hundred and fifty thousand shall be entitled to six delegates; and every county having a population of one hundred and fifty thousand and less than two hundred thousand shall be entitled to seven delegates; and every county having a population of two hundred thousand and less than three hundred thousand shall be entitled to eight delegates; and every county having a population of three hundred thousand and less than four hundred thousand shall be entitled to nine delegates; and every county having a population of four hundred thousand and less than five hundred thousand shall be entitled to ten delegates; and every county having a population of five hundred thousand and less than six hundred thousand shall be entitled to eleven delegates; and every county having a population of six hundred thousand and less than seven hundred thousand shall be entitled to twelve delegates; and every county having a population of seven hundred thousand and less than eight hundred thousand shall be entitled to thirteen delegates; and every county having a population of eight hundred thousand and less than nine hundred thousand shall be entitled to fourteen delegates; and every county having a population of nine hundred thousand and less than one million shall be entitled to fifteen delegates; and every county having a population of one million and less than one million and five hundred shall be entitled to sixteen delegates; and every county having a population of one million and five hundred and less than two million shall be entitled to seventeen delegates; and every county having a population of two million and less than two million and five hundred shall be entitled to eighteen delegates; and every county having a population of two million and five hundred and less than three million shall be entitled to nineteen delegates; and every county having a population of three million and less than three million and five hundred shall be entitled to twenty delegates; and every county having a population of three million and five hundred and less than four million shall be entitled to twenty-one delegates; and every county having a population of four million and less than four million and five hundred shall be entitled to twenty-two delegates; and every county having a population of four million and five hundred and less than five million shall be entitled to twenty-three delegates; and every county having a population of five million and less than five million and five hundred shall be entitled to twenty-four delegates; and every county having a population of five million and five hundred and less than six million shall be entitled to twenty-five delegates; and every county having a population of six million and less than six million and five hundred shall be entitled to twenty-six delegates; and every county having a population of six million and five hundred and less than seven million shall be entitled to twenty-seven delegates; and every county having a population of seven million and less than seven million and five hundred shall be entitled to twenty-eight delegates; and every county having a population of seven million and five hundred and less than eight million shall be entitled to twenty-nine delegates; and every county having a population of eight million and less than eight million and five hundred shall be entitled to thirty delegates; and every county having a population of eight million and five hundred and less than nine million shall be entitled to thirty-one delegates; and every county having a population of nine million and less than nine million and five hundred shall be entitled to thirty-two delegates; and every county having a population of nine million and five hundred and less than ten million shall be entitled to thirty-three delegates; and every county having a population of ten million and less than ten million and five hundred shall be entitled to thirty-four delegates; and every county having a population of ten million and five hundred and less than eleven million shall be entitled to thirty-five delegates; and every county having a population of eleven million and less than eleven million and five hundred shall be entitled to thirty-six delegates; and every county having a population of eleven million and five hundred and less than twelve million shall be entitled to thirty-seven delegates; and every county having a population of twelve million and less than twelve million and five hundred shall be entitled to thirty-eight delegates; and every county having a population of twelve million and five hundred and less than thirteen million shall be entitled to thirty-nine delegates; and every county having a population of thirteen million and less than thirteen million and five hundred shall be entitled to forty delegates; and every county having a population of thirteen million and five hundred and less than fourteen million shall be entitled to forty-one delegates; and every county having a population of fourteen million and less than fourteen million and five hundred shall be entitled to forty-two delegates; and every county having a population of fourteen million and five hundred and less than fifteen million shall be entitled to forty-three delegates; and every county having a population of fifteen million and less than fifteen million and five hundred shall be entitled to forty-four delegates; and every county having a population of fifteen million and five hundred and less than sixteen million shall be entitled to forty-five delegates; and every county having a population of sixteen million and less than sixteen million and five hundred shall be entitled to forty-six delegates; and every county having a population of sixteen million and five hundred and less than seventeen million shall be entitled to forty-seven delegates; and every county having a population of seventeen million and less than seventeen million and five hundred shall be entitled to forty-eight delegates; and every county having a population of seventeen million and five hundred and less than eighteen million shall be entitled to forty-nine delegates; and every county having a population of eighteen million and less than eighteen million and five hundred shall be entitled to fifty delegates; and every county having a population of eighteen million and five hundred and less than nineteen million shall be entitled to fifty-one delegates; and every county having a population of nineteen million and less than nineteen million and five hundred shall be entitled to fifty-two delegates; and every county having a population of nineteen million and five hundred and less than twenty million shall be entitled to fifty-three delegates; and every county having a population of twenty million and less than twenty million and five hundred shall be entitled to fifty-four delegates; and every county having a population of twenty million and five hundred and less than twenty-one million shall be entitled to fifty-five delegates; and every county having a population of twenty-one million and less than twenty-one million and five hundred shall be entitled to fifty-six delegates; and every county having a population of twenty-one million and five hundred and less than twenty-two million shall be entitled to fifty-seven delegates; and every county having a population of twenty-two million and less than twenty-two million and five hundred shall be entitled to fifty-eight delegates; and every county having a population of twenty-two million and five hundred and less than twenty-three million shall be entitled to fifty-nine delegates; and every county having a population of twenty-three million and less than twenty-three million and five hundred shall be entitled to sixty delegates; and every county having a population of twenty-three million and five hundred and less than twenty-four million shall be entitled to sixty-one delegates; and every county having a population of twenty-four million and less than twenty-four million and five hundred shall be entitled to sixty-two delegates; and every county having a population of twenty-four million and five hundred and less than twenty-five million shall be entitled to sixty-three delegates; and every county having a population of twenty-five million and less than twenty-five million and five hundred shall be entitled to sixty-four delegates; and every county having a population of twenty-five million and five hundred and less than twenty-six million shall be entitled to sixty-five delegates; and every county having a population of twenty-six million and less than twenty-six million and five hundred shall be entitled to sixty-six delegates; and every county having a population of twenty-six million and five hundred and less than twenty-seven million shall be entitled to sixty-seven delegates; and every county having a population of twenty-seven million and less than twenty-seven million and five hundred shall be entitled to sixty-eight delegates; and every county having a population of twenty-seven million and five hundred and less than twenty-eight million shall be entitled to sixty-nine delegates; and every county having a population of twenty-eight million and less than twenty-eight million and five hundred shall be entitled to seventy delegates; and every county having a population of twenty-eight million and five hundred and less than twenty-nine million shall be entitled to seventy-one delegates; and every county having a population of twenty-nine million and less than twenty-nine million and five hundred shall be entitled to seventy-two delegates; and every county having a population of twenty-nine million and five hundred and less than thirty million shall be entitled to seventy-three delegates; and every county having a population of thirty million and less than thirty million and five hundred shall be entitled to seventy-four delegates; and every county having a population of thirty million and five hundred and less than thirty-one million shall be entitled to seventy-five delegates; and every county having a population of thirty-one million and less than thirty-one million and five hundred shall be entitled to seventy-six delegates; and every county having a population of thirty-one million and five hundred and less than thirty-two million shall be entitled to seventy-seven delegates; and every county having a population of thirty-two million and less than thirty-two million and five hundred shall be entitled to seventy-eight delegates; and every county having a population of thirty-two million and five hundred and less than thirty-three million shall be entitled to seventy-nine delegates; and every county having a population of thirty-three million and less than thirty-three million and five hundred shall be entitled to eighty delegates; and every county having a population of thirty-three million and five hundred and less than thirty-four million shall be entitled to eighty-one delegates; and every county having a population of thirty-four million and less than thirty-four million and five hundred shall be entitled to eighty-two delegates; and every county having a population of thirty-four million and five hundred and less than thirty-five million shall be entitled to eighty-three delegates; and every county having a population of thirty-five million and less than thirty-five million and five hundred shall be entitled to eighty-four delegates; and every county having a population of thirty-five million and five hundred and less than thirty-six million shall be entitled to eighty-five delegates; and every county having a population of thirty-six million and less than thirty-six million and five hundred shall be entitled to eighty-six delegates; and every county having a population of thirty-six million and five hundred and less than thirty-seven million shall be entitled to eighty-seven delegates; and every county having a population of thirty-seven million and less than thirty-seven million and five hundred shall be entitled to eighty-eight delegates; and every county having a population of thirty-seven million and five hundred and less than thirty-eight million shall be entitled to eighty-nine delegates; and every county having a population of thirty-eight million and less than thirty-eight million and five hundred shall be entitled to ninety delegates; and every county having a population of thirty-eight million and five hundred and less than thirty-nine million shall be entitled to ninety-one delegates; and every county having a population of thirty-nine million and less than thirty-nine million and five hundred shall be entitled to ninety-two delegates; and every county having a population of thirty-nine million and five hundred and less than forty million shall be entitled to ninety-three delegates; and every county having a population of forty million and less than forty million and five hundred shall be entitled to ninety-four delegates; and every county having a population of forty million and five hundred and less than forty-one million shall be entitled to ninety-five delegates; and every county having a population of forty-one million and less than forty-one million and five hundred shall be entitled to ninety-six delegates; and every county having a population of forty-one million and five hundred and less than forty-two million shall be entitled to ninety-seven delegates; and every county having a population of forty-two million and less than forty-two million and five hundred shall be entitled to ninety-eight delegates; and every county having a population of forty-two million and five hundred and less than forty-three million shall be entitled to ninety-nine delegates; and every county having a population of forty-three million and less than forty-three million and five hundred shall be entitled to one hundred delegates; and every county having a population of forty-three million and five hundred and less than forty-four million shall be entitled to one hundred and one delegates; and every county having a population of forty-four million and less than forty-four million and five hundred shall be entitled to one hundred and two delegates; and every county having a population of forty-four million and five hundred and less than forty-five million shall be entitled to one hundred and three delegates; and every county having a population of forty-five million and less than forty-five million and five hundred shall be entitled to one hundred and four delegates; and every county having a population of forty-five million and five hundred and less than forty-six million shall be entitled to one hundred and five delegates; and every county having a population of forty-six million and less than forty-six million and five hundred shall be entitled to one hundred and six delegates;
