

THE ADVENTUROUS EXPERIENCE OF OUTDOOR LIVING

CAMP

MAHN-GO-TAH-SEE

The adventure of living together in a woodland setting, in harmony with nature, is one of the most memorable experiences in a boy's life. Mahn-Go-Tah-See is a retreat from the complexities of modern urban living—a new frontier where a boy can grow in wisdom, in stature, and in his relationships with God and his fellow man.

At Mahn-Go-Tah-See, activities are geared to the age and maturity level of the campers, with progressive experiences, challenges and responsibilities in store as a boy develops through several seasons of camp life.

● The Waterfront — a wonderful, safe place to relax on a hot summer day.

● Against a backdrop of ancient pines, campers enjoy the sport of knights of old — Archery!

● The Nature Center is a focal center for fascinating outdoor explorations!

● Whether at the Crafts Lodge or on an adventurous trip to far-away places - Mahn-Go-Tah-See provides fun, new experiences, and growth for boys.

Ship ahoy! A boatload of fun on the "Calcite".
